Dear Henry:

Many thanks for your letter of November 15th with which you enclosed the additional material you received from your correspondent. Again, I have taken the liberty of making this available to some of our experts here.

I do not see at the moment when I am likely to be in New York in the immediate future, but any time you plan to be in Washington I should of course be delighted to see you. I might suggest that some time when you are planning a trip this way, you call my secretary [redacted] Extension [redacted] and arrange a mutually convenient time for us to get together.

I very much appreciate your kind words concerning President-elect Kennedy's request that I remain in my present position under his administration.

With best wishes,

Faithfully yours,

(EXECUTIVE SECRETARY FILE *M*)
